HIGH PRESSURE WASHER – KLEENZINE PICO 160

1. Max Pressure: 160bar
2. Working pressure: 140 bar
3. Intake water pressure: 0.1MPa –Max 1MPa
4. Flow rate: 9 L/min - 2,38GPM
5. Motor: Electrical 2800 RPM - 3,1 kW
6. Volt: 230 single phase, 50 Hz
7. Weight: 32Kg
8. Height of machine with handle: 90 cm
9. Width of machine: 40 cm
10. Length of Machine: 36 cm
11. Wheel dia base: 18cm
12. Rating: IPX5
13. Motor insulation – CLASS F
14. Repulsive force of gun to the maximum pressure – 25.9
16. Max inlet water temperature – 60 degrees centigrade
17. Noise Level – 90 Db
18. TSS –TOTAL STOP SYSTEM
19. Chemical tank – Inbuilt
20. Brass pump
21. Brass outlet valve in front of machine
22. Water inlet with filter
23. Pressure bar indicator gauge
24. Inbuilt Thermostat valve
25. Pressure regulator valve – 30 bar to 160 bar
